

Dance Classes @ Springbank Cottage Care September through December 2017

A fun dance class offered to ages 3+ (only open to SCC clients). As it will be a "Fusion" class, it will introduce the dancers to multiple styles, including Ballet, Jazz, Lyrical, Hip Hop, Acro, and Musical Theatre! We will focus on balance, coordination, flexibility, and building a strong foundation, while allowing the dancers to have fun and be creative! For Fall 2017, we will be offering two different classes for different age groups, with the option to continue after the New Year and be included in our Year End Recitals (if the interest is there)...
